

As Your Spirit Moves  
*Joey Merichko*

A                    A2                    A                    A2  
As I lift my hands to heaven, and I look into your face

D                    D2                    D                    D2  
You take a hold of my hand, and you lead me to the Holy place

A                    A2                    A                    A2  
As I sing you a love song, I feel you in my arms

D                    D2                    D                    D2  
Your breath is flowing through me, it's like an arrow through the heart

F#m  
As your Spirit moves

E                    D  
And love consumes my heart

F#m  
As I close my eyes

E                    D  
I'm mesmerized by you

A    A2 , A    A2,    D    D2, D    D2.....  
I'm captured by you
