

BELIEVER
Matt Redman

A7 A7sus C/G Em7/D
I dream of tongues of fire resting on your people, I dream of all the miracles to come
A7 A7sus C/G Em7/D
I hope to see the coming healing of the nations, I long to see the prodigals return
Csus D2 Csus D2
so many hopes and longings in You; when will all the dreams come true?

(Chorus)

A2 G D/F# A2
I'm a believer in your kingdom, I am a seeker of the new things,
G D/F# A2
I am a dreamer with some old dreams, let them now come
(will you now come)

A7 A7sus C/G Em7/D
I hope to see you come down, rend the mighty heavens, and let your glory cover all the earth
A7 A7sus C/G
To see your sons and daughters come to know and love you,
Em7/D
and find a purer passion in the church
Csus D2 Csus D2
These are the things my heart will pursue; when will all the dreams come true?

(Chorus)

A7 A7sus C/G
May your church now reach out, sowing truth and justice,
Em7/D
learn to love the poor and help the weak
A7 A7sus C/G Em7/D
When your kingdom's coming It will touch the broken, place the lonely in a family
Csus D2 Csus D2
So many hopes and longings in you; When will all the dreams come true?

(Chorus)
